Product Description

Husqvarna 550iBTX Backpack Blower KIT

Powerful, well-balanced, and ergonomic backpack battery blower with impressive blow force (21N) for professional use. Its class-leading power, low vibrations, and noise levels allow you to work in public settings, even in noise-restricted areas. The blower is IPX4 weatherproof and features continuous boost mode and cruise control as well as an intuitive keypad with battery status and running modes directly on the handle. The integrated connectivity makes it easy to keep track of your equipment, inventory control, machine usage, service history, and last known location in the Husqvarna Fleet Services™ app.
