Product Description

Makita 36V LXT Brushless 14" Top Handle Chain Saw Kit

- POWER : Power equivalent to a 30cc gas chain saw
- DESIGN : Top handle design built for the professional tree care industry delivers gas-equivalent performance
- INNOVATION : Torque boost mode powers through thick or hard branches
- SPEED : Variable speed trigger and high chain speed (0-3,940 FPM) for improved cutting performance
- INCLUDES : 2 ea. 18V LXT® 5.0Ah batteries and dual port rapid charger, 14" sprocket nose guide bar and 3/8 pitch, .043" gauge chain

There is growing demand for cordless alternatives to gas-powered outdoor power equipment. Makita is meeting demand with an expanding line of cordless OPE, including the 36V (18V X2) LXT® 14" Top Handle Chain Saw Kit (model XCU08PT). With zero emissions, lower noise, and considerably less maintenance than gas-powered chain saws, the XCU08PT is a welcome solution for cutting and trimming applications. The compact top-handle design makes it ideal for the professional tree care industry.

Powered by two 18V LXT® batteries for maximum power, speed and run-time, the XCU08PT is easy to start by simply loading the 18V LXT® Lithium-Ion Batteries and powering on. The XCU08PT has a variable speed trigger and high chain speed (0-3,940 FPM) for increased cutting speed, with torque boost mode for cutting dense material.
